

Terms of Service

Acceptance of Terms

By accessing or using The Brotherhood platform, you agree to these Terms of Service. If you do not agree, do not use the platform. These Terms shall be governed by the laws of India and disputes shall be subject to the exclusive jurisdiction of courts in Kolkata, West Bengal.

Nature of the Platform

The Brotherhood is an unincorporated collaborative project for skill mapping, assessment, and coordination. These Terms apply to this particular instance of the project, which is currently operated by XXXXX. The platform is provided on an "as-is" and "as-available" basis without guarantees of uninterrupted service.

The platform is intended to facilitate open collaboration. Many components of the software, content, and governance may be independently deployed, forked, or operated by others under their respective licenses. These Terms apply only to this operated instance of the platform, and does NOT apply to the overall Brotherhood Project, or to any particular component contained within.

User Responsibilities

Users are responsible for:

1. Maintaining account security
2. Protecting login credentials
3. Activities performed under their account
4. Ensuring content uploaded using their account is legal and user has appropriate rights

Acceptable Use

Users may not:

1. Use the platform for unlawful activity
2. Attempt unauthorized access
3. Disrupt platform operations
4. Upload malicious code
5. Attempt to interfere with the security or integrity of the platform
6. Harass or abuse other users
7. Misrepresent assessments or identity fraudulently

Special Features

The platform includes collaborative and versioned systems such as shared graphs, assessments, and federated workspaces. Users understand that collaborative contributions may remain historically referenced as part of system integrity and version history. Users are also subject to Intellectual Property terms described below.

The platform may contain experimental features such as assessments and capabilities. They carry no legal, professional, or regulatory standing and are not equivalent to qualifications, certifications, or

official credentials of any kind. They are made available in hopes of usefulness, but without any warranty.

Intellectual Property

Platform infrastructure, branding, and shared system components remain subject to their respective licenses and ownership structures.

Any graphs made by user are automatically licensed, without exception, under Creative Commons Attribution-ShareAlike 4.0 International (CC BY-SA 4.0) license. By creating or submitting graph content to the platform, users represent that they have the right to release it under CC BY-SA 4.0 and agree that it will be made available under those terms. Any export of graphs, done through the platform will carry the license disclaimer. Use and redistribution of graph content, on the platform or outside of it, is governed by the terms of the CC BY-SA 4.0 license.

The default license for graph content is CC BY-SA 4.0. Future versions of these Terms may introduce additional licensing options. Content submitted under prior Terms retains the license under which it was submitted.

Termination

Users may stop using the platform at any time. We may suspend or terminate access for users who violate these terms or abuse the platform.

Limitation of Liability

To the maximum extent permitted by law, The Brotherhood and its contributors are not liable for:

1. Data loss
2. Service interruption
3. Assessment inaccuracies
4. Economic losses
5. Third-party actions
6. User-generated content
7. Failure to provide obligations due to circumstances beyond our reasonable control, including infrastructure failures, third-party service outages, or events of force majeure
8. Guaranteeing permanent preservation of any data

We may modify, suspend, or discontinue features of the platform at any time as the project evolves. Use of the platform is at the user's own risk.

Age Limitations

The platform contains user-generated content and collaborative material that is not reviewed or curated for suitability for minors. As a result, it may contain content which are harmful, or inappropriate for children under the age of 18. Users must be 18 years of age or older to create an account. By agreeing to these terms and/or making an account, the user confirms that they meet this requirement; or is using the platform with the knowledge and supervision of a parent, guardian, or other legally responsible

adult, where permitted by applicable law. The platform reserves the right to suspend or terminate accounts that are reasonably believed to be in violation of this requirement.

Changes to Terms

These Terms may change over time. The changes will be communicated via platform notices. Continued use of the platform after updates constitutes acceptance of the revised Terms.
